Hatton Residents' Lunch

The October Lunch was very successful and enjoyed by all those who were able to attend. The food as usual was excellent and John Done kept everyone entertained with his stories of past goings on in the village.

The next Residents Lunch will be held as usual at the Hatton Arms on **Tuesday 14th November at 12.00.**

Hopefully we will be back to normal and be able to use the Dining Room and it is hoped that the speaker booked for October will be able to attend. Please advise Robin of attendance by Sunday 12th November.

Meet at Gosling Close Bench

It's that time of the year again. Villagers you have been warned

Prepare for a scare!

After parents and children have terrorised the village ☺ it's all back to the pub for the fun to continue!!!

Chips and squash will be on offer for the children.

Games galore and much more!

All children must be accompanied by an adult.

Do you have some happy news you'd like to share with the village?

Have you just become proud grandparents? Have your children just passed their exams with flying colours, or got married or engaged?

Have you completed a marathon at a 'mature age'?

Whatever your experience, share it and let us help you celebrate.

Send your details and a photo to hattonvillage@gmail.com and it will be included in the next available issue of the newsletter

We are looking for a budding newsletter editor to join the Hatton Village Communications Team.

Do you have a bit of creative flair, have reasonable computer skills and believe that the communications in Hatton is vital to village life?

E mail hattonvillage@gmail.com for more information and to arrange an informal chat.
