# Hatton Life

Issue no 33

May 2018

**Entrance Gateways – Update!**  
We have been busy working with the suppliers on the look of our signage, which we would like to keep both traditional and in keeping with our rural setting.  
These are examples of the most recent design.

We need your help at this year's  
**FUN DAY - SATURDAY 30<sup>TH</sup> JUNE**  
Starting at 2pm

Can you provide Childs or Adult's tombola and raffle prize? Dig in your drawers or even add an item to your weekly shopping and help to make this even better than last year's with some fabulous prizes.  
Deliver to 17 Gosling Close by first week in June please.

Our fun day raises money to enable subsidies for Hatton's Lunch Club, Hatton's Film Club and for Hatton's Halloween Party to name but a few of the events. It also raises money for charities and last year's funds helped buy our Defibrillator.

As it is **Armed Forces Day** we will be donating some of the day's funds to Combat Stress which for almost a century has helped former servicemen and women deal with issues like trauma, anxiety, depression and PTSD. A worthwhile cause I hope you will agree.

Please contact [mwinstanley21@gmail.com](mailto:mwinstanley21@gmail.com) if you can spare a bit of time on the day.

## Silverstone Stuey

After a break of over 3 years, Parish Councillor Stuart Tranter decided to dust the cobwebs off his ageing car (not to mention the driver!) and make a return to Motor racing by entering the MG Cup races at Silverstone.

After struggling to fit into his racing suit he proved that there is life in the old dog yet by finishing second in race 1 and third in race 2.

A full report on the outing can be found on the Hatton Village Facebook pages.

## HEALTH AND HYGIENE ISSUES

Recently there have been issues raised by villagers about dog fouling on paths and in people's gardens. If your dog is off their rein when walking please ensure you are aware of where they are so that you can pick up any toilets they may do.

Please take your dog waste bag home with you. If you are tempted to leave it to be collected on your return journey then remember where it was left.

Recently a regular litter picker picked up over 30 poo bags that had just been left.

We know visiting walkers are a problem but we can also do more to alleviate this health and safety issue.

## Residents' lunch

The AGM of the **Hatton Village Community Association (HVCA)** was held at the Hatton Arms during the last residents' lunch. The Chairman reported that the HVCA was in good heart with an average of approximately 20 residents attending the lunches.

The Officers were re-elected for a further term. Chairman Robin Brocklehurst, Secretary Julian Wrigley and Treasurer Richard Roseby.

Surprisingly there were no other nominations!

The next Residents Lunch is **Tuesday 22nd May** at the **Hatton Arms**. All are very welcome not just the Over 60's. Please advise your wish to attend to Robin on 730030 or email at [robinbrocklehurst@hotmail.com](mailto:robinbrocklehurst@hotmail.com).
