Superfast Broadband finally reaches the centre of Hatton!

Left: Final installation
Above: Parish Councillor Stuart Tranter at the
new cabinet

After several years of campaigning with Connecting Cheshire by the Parish Council, a new Superfast Broadband cabinet has been installed by Openreach on Pillmoss Lane. This extends Superfast Broadband capability to around 90 premises downstream from this location to Hatton Village centre.

Users who had already subscribed to the Fibre Optic "Faster Broadband" via Cabinet 2 at the Cat and Lion should now have been automatically migrated to the Superfast Service. Other premises downstream of Pillmoss Lane should be able to order the upgrade from their service provider.

Check the Connecting Cheshire website to see if your home or business can be upgraded and then contact your Internet Service Provider or shop around for the best deal and order a fibre broadband service - it doesn't happen automatically and you could make a saving compared with your current broadband contract! JULY RESIDENTS' LUNCH

After a very enjoyable lunch at Robin and Jane's house in June we are back to normal for July.

The July lunch will be held at the Hatton Arms on 17th July. Advanced notice for the August lunch which will be held on the 21st August again at the Hatton.

As always kick off will be at 12.15 and hopefully we will have a speaker for the August date.

Please advise Robin by the evening of Sunday 15th July if you are attending.

ENVIRONMENTAL NEWS

Keen eyed villagers will have noticed the great work undertaken by Andy Smith and Dave Ditchfield to clear the area at the end of the passageway from Gosling Close. The area can now be mown and shrubs have been planted. It is hope that wild flowers will be grown and that the bulbs will continue to thrive.

Consideration is being given to the potential provision of a picnic bench on this area of land but we would like your views on this matter. Please email them to the village at hattonvillage@gmail.com

HATTON VILLAGE INAUGURAL GOLF DAY

On Sunday, 23rd June, villagers took part in the inaugural Hatton Village Golf Away Day. Hatton's intrepid golfers (many of whom had been 'tripping the night fantastic' the evening before!!) descended on Sutton Hall Golf Club.

A full English breakfast was enjoyed by all and set players up for an amicable but hotly (quite literally) contested competition.

Tremendous thanks goes to Phil Young for all his hard work in not only organising the whole event but for his sterling efforts in keeping all golfers on track. It was a great day and again reflected 'the Spirit of Hatton' (oops giving away more secrets). The competition winner was Glenys Goodier who received the Hatton Village Golf Trophy, presented by Phil, that now has pride of place on her mantelpiece.

Watch this space for more opportunities to join fellow villagers in future golf extravaganzas.

Parish Council News!

At our AGM in May, Margaret Winstanley stood down as Chair of Hatton Parish Council, after over three years at the helm.

The Council would like to thank Margaret on behalf of all Hatton Residents for her great leadership and commitment over that time – and are delighted that she is remaining in her role as a Councillor, continuing to represent your wishes.

Roger Dickin was proposed as Chair for the ensuing year and will do his best to maintain Margaret's zest for village life!

This seems an opportune moment to remind you that all Parish Councillors are here for you!

Please feel free to attend one of our monthly meetings or contact any member of the Council, with your concerns or ideas
