

THE SUN SHINES ON OUR GOLFERS AT ANTROBUS

The second village golf competition took place on Sunday, 23rd September at Antrobus. A hearty breakfast set all players up for a great round of golf particularly as early weather apps predicted dreadful weather for the day. Well, the sun obviously does shine on Hattoners because it was a perfect day for golf played in good spirits.

The winner on a card play off from our brilliant organiser, Phil Young, was Les Crew. Les was pleased to receive his trophy but having beaten his wife, Betty, by one point, he may have had to get his own tea!!

Keep an eye open for our next venture, hopefully October/November, that will round off Hatton Village Golf Society's 2018 exploits. New participants always welcome. Just give your contact details to Phil or email them via the Village email. The plan for 2019 is to hold four events - Spring Swing (April); Summer Sortie (June); Hatton Harvest (August/September) and Winter Warmer (October). It is hoped to recognise an overall champion from the 2019 tour. So don't miss out. Make sure Phil has your details so you have early notification of all planned golf events.

Spooktacular goings on around Hatton on Wednesday 31st October.

Meet at Gosling Close bench at 6pm.

Villagers be prepared, our village monsters will be trick or treating! We will then return to Spook City (Hatton Arms) for party games and drinks for the children.

Prize for the best costume!!!

SOUTH WARRINGTON DRAFT PLAN

Hatton Parish Council has joined forces with the other 8 Parish Councils in the South Warrington area to act on behalf of residents. The Draft Local Plan will probably be issued in December this year. The Plan will show future proposals for residential and other forms of development over the next 20 years in South Warrington.

Regular meetings are held to discuss what action the Parish Councils will take and a Planning Consultant John Groves of Groves Town Planning has been appointed to provide advice.

Whilst the Parish Councils are able to cover likely costs, a crowd funding scheme has just been introduced by Re-thinking South Warringtons' Future, an organisation working closely with the Parish Councils.

We will provide updates on what is happening in future editions of Hatton Life.

Thank you Amber!

The PC would like to thank Amber Smith, who is retiring from for her role as your Youth Representative on the Parish Council. She has been the voice of our younger generations and has contributed positively to our village life.

Of course, Amber's time to move on brings an opportunity for another younger villager to shape the future - if you are interested in becoming the new Youth Representative, please let any of the Councillors know.

Hatton Film Club - Fond Farewell

Thanks to all involved with the Hatton Film Club and in particular to Ian and Sylvia. We have had a dedicated core of people over 3 years who have had very enjoyable social occasions in the pub watching a monthly film. The film club has been a great success over the years however rising licence costs have meant that after careful consideration by the Community and Social Activity Group they believe the film club has now run its course. Any ideas for other community activities please let the CSA group know via mwinstanley21@gmail.com as we are all really keen to develop new ideas. Once again thanks go to Ian Tickle for his memorable and hilarious introductions to the films, his dogged perseverance on the few occasions when technical glitches occurred and for his commitment to the smooth running of our film club.
