The day ended with Paul Twigg gaining overall honours winning the individual competition with 31 points, the pairs competition with Alex Aleksic on 60 points, and also claiming nearest the pin on Hole 4. Nearest the pin on Hole 16 was won by Phil Pegum.

The day was rounded off with Sandwiches and Chips in the Hatton Arms. Thanks to Phil Twigg for all his work in organising the day and to Phil Young for getting our Golf Society up and running so successfully.

We have a dedicated email address for our golf - hattongolf@outlook.com. Please use this to let Phil Young if you wish to go onto the circulation list. You don't have to be called Phil to win!!

It's amazing what you can do with pallets and a chainsaw!

Tony Ainsworth has put his carpentry skills to good use and produced this amazing garden summer house from no more than old pallets and a few other re-claimed bits and pieces.

Who said creativity is dead!
