Manchester Ship Canal Cruise

We are investigating the possibility of a village cruise down Manchester Ship Canal. The cruise is one way so we suggest starting at Seacombe on the Wirral. There is free parking. The cruise takes about 6 hours and there are light refreshments available on board. For a group of 20+ the price is £38 each (a saving of £6) plus £3 for a coach back to Seacombe. Anyone interested in taking part please email r.roseby@btinternet.com with numbers and preferred dates. Date will be one of three Saturdays - July 20th, August 17th or September 14th.

Hatton Life Facebook Group:

We have 83 members in our Facebook group, this is steadily increasing over the months.

We have had some real successes with people being able to react quickly to news around the village.

Nick Lamb was able to help trace a wounded dog that local rescuers were having trouble finding and catching. Well done Nick!

Our PCSO's exploits round the vicinity are reported and anything we are made aware of is posted on the group.

Those who use Facebook might like to keep up with what's happening in the village via our Hatton Life Facebook group.

HATTON VILLAGE GOLF SOCIETY

The first, fiercely contested game of the 2019 tour took place on Saturday, 13th April at Frodsham. 17 players took part, but unlike Tiger, they had to contend with a cold East wind and uneven greens.

Nevertheless, our Green blazer winner, Stuart Tranter, fought off the close competition to record a creditable 31 points with Tony Ainsworth in second place with 30 points. Glenys Goodier had a Birdie on Hole 9 which the author of this article missed as she was scrabbling for her ball in a hedge at the time!! Stuart collected his trophy (provided by the Parish Council on behalf of the village) from Phil Young, our leader and organiser.

CAN SOMEONE TELL ROGER THAT HE HAS MISSED THE TURN FOR THE CANAL!

Celebrating his 60th birthday recently, Roger Dickin, Chair of the Parish Council, became the proud owner of a new mode of transport, courtesy of his family. He can be seen practising his paddling skills in preparation for his maiden voyage, yet to be planned. We wish him many happy paddling years to come.

A NEW RESIDENT IN THE VILLAGE....

An unusual visitor seen making itself comfy in Judith Brown's garden!

Speeding in Hatton

Most residents will be aware that the police have now started to take the issue of speeding in Hatton very seriously. Well over 100 speeding tickets were issued by the 'yellow van' on its first outing a few weeks ago - it has undertaken several more sessions on Hatton lane since then. Together with PCSOs and the smiley face speed detection that has been gracing our kerbsides, we are building evidence to demonstrate to the police and Highways England that we need some intervention to keep our roads safe. The community speedwatch will be starting training in May - thanks to the volunteers that have come forward following last month's article. Be prepared for our first outings later in the month!
