

## Hatton PC News

### Litter Picking

A great big thank you from the parish council for everyone who took up the challenge to collect litter whilst they were out and about. You have all done a tremendous job and the results to the village and surrounding areas have been lovely to see.

### Shrub Borders

The shrub borders are now finished and looking lovely. Thanks to Andy, Richard, Phil, Paula, Robin, Julian and Jovan and special thanks to John Done for his help and advice.

### Parish Council Vacancy for a Youth Rep

We have a vacancy on the PC for a Youth Rep, the candidate must be between the ages of 11-18 and able to attend the monthly PC meetings. If anyone is interested or would like more information about the role, please contact the PC at the email address below.

### Broadband

Having spoken to an Openreach engineer about the issues we are experiencing in the village, he made it clear that there **are** plans to introduce fibre broadband, via telegraph poles, to areas that have very old wiring and poor service, however the areas who are receiving this first are the ones who are complaining the most. Can we please remind parishioners, if they are unhappy with their broadband service or lack of it, to contact their provider and make an official complaint. It is really the only way we are going to improve the bandwidth in the area.

### Contacting the Parish Council

We have now set up a direct contact email address for anyone wishing to contact the Parish Council.

### Hatton Hounds

Welcome to some more lovely Hatton Puppies.

Hello to lovely Lola the  
Bernedoodle, look out  
for Lola on her walks with  
Sharon and James.

Sian and Paul have their  
hands full at the moment  
with four adorable pups to  
look after. Well Done Nellie.

### DATE FOR YOUR DIARY

Monday 12<sup>th</sup> April is a very important day for the Hatton Arms as it's the day we re-open after another 'lockdown'. We have been busy preparing the beer garden for the opening, by laying a paved area to accommodate the marquees, as we can only provide outside seating until 17<sup>th</sup> May. The marquees are not heated so we ask that you dress for the weather.

Tables can be reserved for up to six people, by email, Facebook or WhatsApp. Please don't phone as this is not always manned.

We cannot wait to welcome you all back to enjoy your favourite tittle and food from our new menu, and the company of friends once again.

### NOTIFICATION OF HIGHWAY WORKS

**Residents, Businesses and Motorists are advised that surfacing works will be taking place on Warrington Road Hatton/Higher Walton from 26 April 2021 for up to 6 weeks.**

The works will comprise of a mixture of full width surfacing and large scale repairs to the edge of the road to prepare it for a surface treatment in Spring, 2022.

**In order to undertake this work safely the road will be closed between 9:30am and 3:30pm.**

These works will include surfacing through the junction at Park Lane, with tie- ins along these side roads. All roads will be fully open to traffic outside the working times though it may be necessary to use temporary traffic signals at times due to the progress of the works. Pedestrian access will be maintained at all times during the works. The alternative route will be A56 Chester Road, B5356 Keckwick Lane, B5356 Chester Road, B5356 Daresbury Lane and vice versa.

Further information will be available at [www.warrington.gov.uk/roadworks](http://www.warrington.gov.uk/roadworks)
