New House Farm Planning Appeal

On behalf of the Parish Council, Groves Town Planning have now submitted a response to the Planning Inspectorate. A copy of the response can be found on the Hatton Parish Council website. A decision on the appeal is not expected for some time.

Parish Council Vacancy

Further to our recent request for applicants for the Parish Council vacancy, the position has now been filled and we welcome Sue Spiteri to the Parish Council. Sue has recently moved to Hatton and we believe she will be a great asset to the Parish Council and the village.

Contacting the Parish Council

We have now set up a direct contact email address for anyone wishing to contact the Parish Council.

Hatton Car Park – Recycling Bins

Warrington Borough Council have removed the recycling bins from Hatton Car Park. A representative from the Borough Council attended the site and an inspection was made of both bins, it was found that the bins were being used by people from outside of the borough and trade organisations, contrary to regulations. The Council also questioned how both bins were being filled so quickly, commenting that Hatton is a small village with every household having a blue recycling bin.

Please recycle by using your blue bins, or by taking your bottles or cans to Stockton Heath recycling centre.

The cardboard and clothes bins are not affected and will stay in situ, however the Council will be monitoring the area more closely over the coming months.

Corner of Daresbury Lane/Warrington Road/Hatton Lane

Thanks to Robin, Martin and Richard who worked very hard recently to clear the very overgrown shrubbery on the corner of Daresbury Lane, even giving the road sign a good clean. Well done.

Snowdon Triple Challenge **Bike it...Hike it...Paddle it.**

A number of local residents, including Carl Palmer, Dan and Adam Roberts and Keith Bankier to name a few, are taking part in the Snowdon Triple Challenge which involves a ten-mile bike ride, nine-mile hike of Snowdon and a 2.5-mile kayak. The challenge is taking place on Saturday August 21st and will set off from the Hatton Arms at 5.00am.

They are raising money for a local, three-year-old little girl who has Cerebral Palsy, and is in need of surgery to improve her quality of life. If you would like to donate to this very worthy cause please go to:

Creamfields 2021

The Parish Council, through the Chair Paul Molphy, have been in contact with the organisers of the festival and asked specific questions of them. They have confirmed that they are working with the Government on the DCMS Event Research Program, delivering a number of small, and large-scale events, producing data that will hopefully result in the eventual lifting of all COVID related restrictions across the UK. This is their response to the questions posed:

Will the normal liaison activities be taking place prior to the festival?

We would normally by now have held at least one consultation meeting with the Residents Committee, but for obvious reasons this has not happened. We would like to set up a Zoom meeting as we are keen to continue to consult with the Residents Committee and the Parish Councillors.

What additional COVID 19 prevention measures will be in place to protect residents?

Working with DCMS Event Research Program and Public Health England we have developed a set of guidelines that will be used at all major events throughout the UK. This covers anyone who attends or comes into contact with the events. We plan to talk through this guidance during the meeting with the Residents Committee.

Will residents receive their usual benefits?

In terms of tickets and car passes, we see no reason why not, we will give an update at the meeting with the Residents Committee.

We will keep residents informed of all further developments via the newsletter and the Hatton PC Website.
