Ultra-Fast Broadband Update

The Parish Council are pleased to inform you that our Community Fibre project with Openreach is progressing very well, and reported to be running ahead of schedule. Residents are therefore likely to see a lot of Openreach activity over the coming weeks and in the New Year. However, you may have noticed that Freedom Fibre are also installing poles in Hatton. **Please be aware that Freedom Fibre (who are linked with TalkTalk) are NOT in any way associated with our Openreach project and any take-up could jeopardise the voucher-based funding position.**

Should anybody have any queries please email broadband@hattonpccheshire.org.uk

We would like to set up a committee to help with the organisation of the event.

If you would like to help, please email the Parish Council.

Watch this space for further information in the New Year.

Bird of Prey

We have a fantastic new addition to the village at the bottom of Goose Lane.

Paul and Sheila Henstridge commissioned chainsaw artist Andy Burgess to sculpt a bird of prey into the trunk of the Sycamore tree that had to be felled earlier in the year.

Sheila and Paul have named the sculpture Ikaros, after a fictional bird that looks quite similar to the sculpture

Christmas Carol Singing

Hi to all Christmas Carol Conscripts. Meet at Gosling Close bench at 6.00pm on 15th December. Everybody is welcome. You don't need a good singing voice, just a sense of humour and warm clothes. We will sing around the village and then round the Christmas Tree as the lights are switched on. We will finish by singing in the pub, they normally pay us to go away!! Come along and join in, all proceeds to charity.
