

HATTON LIFE

Coronation of King Charles III

You are cordially invited to our Street Party on Sunday 7th May to celebrate the Coronation of His Majesty King Charles III. The party will take place in the Marquee opposite the Hatton Arms.

Residents and close family members only.

Come along at 2.30pm for 3.00pm

Tables and chairs provided

Bring your own refreshments (no barbeques), Tea and Coffee will be available free of charge.

Please do not bring glass drinking vessels onto the field, plastic ones will be available should you forget.

Free draw for a £50 Hatton Arms Voucher plus other prizes.

A toast to the King will be held at 4.00pm with free Prosecco followed by entertainment.

This event is being supported by the Community Initiative Coronation Activity Fund.

Supported by the community initiative fund

If you would like to attend, please complete the reply slip below.

Reply slip to be returned to Martin and Angela, 41 Goose Lane by Friday 29th April 2023.

Names of all those in your party:

By replying, you will be entered into the free draw.

Stained Glass Window Competition

To commemorate the Coronation of King Charles III we are holding another competition to design a panel for the village phone box.

As before the entries will be blind judged on the day and the winning design will be produced in stained glass and installed in the telephone box. The competition is open to all ages, children, and adults. Please send any entries on landscape paper (12" by 6"), including full name and contact details on the back to Margaret Winstanley by 6th May. Please contact her directly for her address.

Previous winning designs

Resident's Lunches to Restart.

After a lengthy delay because of the Covid Pandemic the Resident's Lunches are to restart on

Tuesday 23rd May at the Hatton Arms.

The time will be 12.00 noon for 12.30pm.

Cost will be £12.00 per person for a meal comprising main course and a sweet.

Vegetarian options will be available.

There will be a Raffle as previously.

Please ring Richard Roseby on 01925 730307 or Julian Wrigley on 01925 730548 to let them know you will be attending by Sunday 21st May at the latest.

The lunches are open to everyone in the village.

We look forward to seeing you there!

HATTON FAMILY FUN DAY

Sunday 1st October 12.00 – 4.00pm in aid of Motor Neurone Disease Assoc.

This year's Fun Day will again be held at the Hatton Arms, Jackie and Graham are holding an Artisan Market on the day and have kindly offered us the use of a Marquee which will be on site for the weekend.

Richard, our games master, has excelled himself with lots of new games too.

We will have all the usual stalls and of course the delicious cake stall.

Rachael and Kate have volunteered for the cake stall and Glenda and Anna are doing the Tombola.

Any offers of help for the event will be very much appreciated, we need help setting up and dismantling and helpers on the stalls.

If you can spare any time to help, please contact:
mwinstanley21@gmail.com

We have got off to a fantastic start for our nominated charity as the Wednesday Bonus Ball Competition will be donating £500 from their Charity Pot to the Fun Day.

Thanks to the Wednesday BBC group.

Update on Village Defibrillator

Judith Godley (Co-ordinator)

The Parish Council took steps in late 2017 to place a defibrillator in the telephone box at the Hatton Arms. It was established with the support of the Community Heartbeat Trust. We have maintained that partnership over the years and we are able to purchase batteries and pads from them when the use by date expires. If we ever need a replacement defibrillator on a temporary basis then they would supply one. From the time of setting up our defibrillator in the phone box we have been linked to the NW Ambulance Service.

With the welcomed increase in the number of defibrillators across the country the local database at the NW Ambulance Service (NWS) has now been replaced by a single national defibrillator database called 'The Circuit'. All existing defibrillators are required to transfer to The Circuit and ours is registered with this network. The defibrillator is available and allocated to NWS 999 calls in the same manner as previously.

We will still maintain our partnership with the Community Heartbeat Trust to ensure we are able to keep the equipment emergency ready. Regular site visits to check the equipment are reported through their website.
