New Bus Route for Hatton

Residents may have noticed a new Bus Stop on Hatton Lane near to the village centre. This is for the new Number 10 service which will run Monday – Saturday to Stretton via Appleton Cross. It should be noted that the Parish Council were not advised or consulted on the installation of the Bus Stop. Cllr Wrigley has contacted WBC regarding this matter, which will be raised at the upcoming Parish Council meeting.

Hatton Village Community Association (HVCA)

An AGM was held on 19th September. The main item discussed and agreed related to future social activities in the village. As you will know Margaret Winstanley has decided not to continue being the main organiser of events such as Fun Day and Halloween to name but two. Everyone is very grateful to Margaret for her tireless work over many years. HVCA could take over responsibility for these events however this would depend on a sufficient number of volunteers becoming involved and forming a new HVCA Committee to do so. Not only do these events foster community spirit and involve many residents including children they have also raised significant amounts for charity. Margaret has confirmed her willingness to become a committee member herself and to pass on her knowledge and expertise. If you are willing to become involved yourself so that these events can continue, or you wish to discuss joining please notify Glenda Roseby on 01925 730307 or email her at g.roseby@btinternet.com.

Residents Lunch

The next HVCA residents' lunch to which all are welcome will be held on WEDNESDAY 18th October at 12 for 12.30, this is a provisional date, in the Hatton Arms. Please advise Glenda if you will be attending.
